DIRECTOR OF PHOTOGRAPHY

I have worked successfully as a NY based DP in the film and video industry for over 20 yrs. A passionate interest in painting and still photography started it all, followed by an MFA from NYU-GFTV.

My ability to incorporate disparate talents, from virtuosic hand-held to sensitive lighting and a keen editorial instinct, give me the ability to turn out fresh looking results for my clients every time.

COMMERCIALS, PROMO'S, INDUSTRIALS in 35mm, 16mm, and all video formats

HBO	15 years of major campaigns for HBO Promos, HBO Films, Cinemax, HBO Boxing
Warner Bros TV	Primary cameraman of all NY interstitials for the Dr. Keith Show on Fox TV
add'l Network & Cable	Comedy Central, SNL, David Letterman, NBC Promotions, Fox TV, MTV, TNT, ESPN
other Spots and Industrials	Ronzoni, Tylenol, Warner Bros Records, Virgin Records, Canon, AT&T, American Express

DOCUMENTARIES

A New Normal	In depth study of survivors of the 9/11 cataclysm and its aftermath. <i>(Now in post production)</i>
Paris is Burning	<i>cinema verité</i> - Harlem drag balls. Voguing, transsexuals, & much more. Many international awards. One of the highest grossing documentaries of the 90's
Soul in the Hole	<i>cinema verité</i> - A very hot summer of basketball. "Coach with a huge heart, a foul mouth, and one dream of a team - Just about perfect." HBO Documentaries
Execution Protocol	Eviscerates lethal injection as an execution technique. The Discovery Channel
The Lynchburg Story	Forced mass sterilization in Virginia from 1927 to 1972. The Discovery Channel
What I Want My Words To Do To You	Unprecedented look into the minds and hearts of the women inmates of a NY correctional facility. Eve Ensler heads a writing workshop. PBS
Sweet Inspiration	Gospel great Cissy Houston, Whitney's mother - the religious and the secular. PBS
